## *President's Message*

Greetings to all members, this will be my last greetings to you as President of the SLPTOAC, my term of office as President would come to an end in June 2013. I will not be able to continue, as President, even if I so desire, as the constitution does not encourage the Presidential period for more than two terms. To this I am grateful as I too find it difficult to carry on due to my ill health and also my physical activities are getting restricted.

I thank all you members for the great cordiality and the corporation extended to me during my two years as President. I thank the committee for their corporation and help and I wish to extend a special thanks to Mr. V. Karalamoorthy, the Vice- President for his great work, during my three months of absence, due to sickness. He did a great job, especially the conducting of our show piece event the year end Cultural and Christmas party. That was a great success, and due to his personal effort many members and their families from the Telecom section also turned up. Please keep up the good work.

In conclusion let me once again thank you all for providing me the opportunity and co-operation to work with you all towards the Association's progress. I would always be available to serve the association in any capacity, either as a committee member or in the Advisory council.

I appreciate the active participation of Mr. Sundaralingam and Mr. Mathiyaparanam in our committee of management and hope they will continue to do so for a long time.

I request the younger members to actively participate in organizing the events and also to come forward to be in the committee so that some of us seniors may sit back and enjoy watching you, taking the Association forward, in the years to come.

Let me also invite the past senior members to be a part of our Advisory committee to give the Association their valuable advice and help.

V. Paramalingam.

### **Vote of Thanks**

As Secretary of Sri Lankan Post & Telecommunication Officers Association of Canada, it is my proud privilege to convey our heartfelt thanks, gratitude and love to the councilor Dr. Raymond Cho for accepting our invitation for the Year end Christmas party, Cultural show and the Dinner and gracing the occasion. I also thank him for sending the message of greetings for the publication of the souvenir, in spite of his pressure of work.

On behalf of the Board I also thank the announcers Ms.Sangeetha, Mr. Nada Subramaniam, and the Artists Natesha Naresh, Saisorupan, Subaveen, Bavanandan, Abirami Krishna, Lavan and Laxman (Grand children of Mr. Karunalingam). They all have exhibited their talents exceptionally well. We express our thanks to Mr. Pararajasingam – member, for his excellent musical performance. We also express our sincere thanks and gratitude to "Nadana Tharakai" – Mathumitha Baskaran, for her thrilling dance performance. She kept the audience delighted.

We also express our thanks to our member Mr. Chandrasekaram who arranged the drama – Vathiyarukku Villankam by Kuplan Vigneswara Peoples Association. They did extremely well and made the audience feel that they were in Kuplan. Thanks to the performers of the drama – Jeya, Appan and Thevan.

We express our thanks to Mr. P. Pathmanathan and Mr. Vettivelu for the help given in the final edition and publication of the Souvenir, in the absence of the Editor who was away in Jerusalem. We also express our thanks and gratitude to Mr. R. Sundaralingam, our coordinator, who had done his part exceptionally well and for the satisfaction of all. I personally thank him for assisting me in all activities.

We will be failing in our duty if we fail to thank all who have rendered their services such as arrangement of the hall, lighting and decoration and the providing of the delicious meals. If not for the cooperation and support of the President, Treasurer, Acting President, Ex-Presidents and all office bearers this event would not have been successful. Lastly on behalf of the association I express my sincere thanks to all those who have collected advertisements and those who had given advertisements. I also wish to thank specially Mr. S. Wijayachandran, who had got us the maximum number of advertisements.
